

Make the Connection

# Halifax Gateway

The strategically located **Halifax Gateway** saves you time, money and frustration when moving goods and people. It offers advanced multi-modal transportation and logistics, exceptional service and easy access between North America and the globe. The **Gateway** encompasses the Halifax Stanfield International Airport, the Port of Halifax, 2 container terminals, CN Rail, a strong logistics and warehousing sector, and excellent class 1 highway infrastructure.

## Location Location Location

The **Halifax Gateway** has the infrastructure and transportation options you usually associate with a larger centre...combined with the capacity and service that will make your experience hassle-free.

Steve Farmer

### Built for Speed...and Volume

Halifax Gateway's convenient and modern infrastructure and services include:

- The only U.S. preclearance facility in Atlantic Canada and 24/7 customs services
- A natural, ice-free harbour that is only one day's sail from New York
- At 65 feet...the deepest cargo berths on North America's east coast
- On-dock, double-stack rail service to over 43% of the North American population
- The **Atlantic Gateway-Halifax Logistics Park** with transloading services minutes from Border Services and next to 5 major highways.

### A Winning Combination

With our combined services, the Halifax Gateway offers you:

- Advanced infrastructure and available capacity to move goods and people quickly and cost-effectively
- Global reach from a convenient location atop the Eastern seaboard
- Efficient consolidation and break-down of shipments
- Quick, safe, cost-effective transport to regional distribution centres and stores
